

We are pleased to offer unique programs for kids and youth all year round in addition to winter, spring and summer Art Camps! If you have a creative child, be sure to register for weekly after-school sessions or for kids art camp.

The 2016 theme for art camps is "Robots and Aliens". An assortment of activities are available for the half or full day week long camps including painting, drawing, mixed media, robot sculptures, special effects make up, photography and more!

Our ongoing after-school programs allow participants to explore a variety of mediums including sculpture, painting, drawing, mixed media and sculpture. The weekly classes allow students to explore their interests for subject matter with the supervision and guidance of an experienced and certified BCCT instructor.

After-School Program \$180+gst for 12 sessions on Thursdays from 3:00-5:00pm
Art Camps \$270+gst for half day \$450+gst for full day

Organic Meal Programs available. \$35+gst for week or \$7+gst for day
